

Point-of-Sale Software

For Drycleaners and Laundries

Superior Software at a Reasonable Price

Personal Touch Systems, Inc, is partnered with Payment Processing, Inc. (PPI) to bring you an integrated payment processing solution loaded with time- and money-saving benefits for you!

The Solution

Our software is integrated with PPI PayMover®, a secure Internet-based gateway, providing you with the features a drycleaner business needs to prosper:

- **One-step payment processing.** Enter credit card information directly into ProfitMaker– no more manual entries into two separate systems!
- **Free PPI PayMover** – a PCI compliant payment gateway that facilitates your path to meeting PCI compliance standards.
- **Integrated with the latest security features** – no more storing customer card data. The encrypted card reader and the encrypted PIN pad also protect customer data at the point of swipe.
- **No software or payment gateway costs** – Pay only customary rates and fees.

PPI Services Just for ProfitMaker Users

- **Financial payment expertise.** PPI pricing experts have analyzed thousands of drycleaner merchant accounts! Get a **free detailed pricing analysis** that will provide you with everything you need to know about your rates and how PPI can save you money.
- **Free support** – Provided by PPI's expert staff 24/7/365. Make one phone call for all your payment processing needs – no more bouncing between vendors.
- **Price match guarantee.** PPI is also providing a special price match guarantee. PPI will beat your current rates or any other published offer you have in hand. They are so confident they can save you money that they are offering a \$50 gift card if they can't beat your best price.*

Who is PPI?

Since 1995, nearly 46,000 businesses trust PPI to process their electronic payments. In 2009, PPI processed over \$6.5 billion in Visa® and MasterCard® payments.

"We joined forces with PPI because of the advantages of their integrated payment processing solution. Their customer service approach and extensive industry experience adds enhanced functionality to ProfitMaker and value for our customers."

–James Candilora, President, Personal Touch Systems, Inc.
